AMENDMENT AFTER A FINAL OFFICE ACTION

SIR:

This Amendment is in response to the Final Office Action mailed on
October 22, 2002. Applicant respectfully requests reconsideration in view of the following:

IN THE CLAIMS:

Please amend without prejudice claim 7 as follows.

Sub F1
E1
7. (Twice Amended) A device for activating an electromagnetic consumer having a movable
element, the electromagnetic consumer including a solenoid valve for controlling a metering
of fuel into an internal combustion engine, the device comprising:
a control unit to determine a duration of a time window such that a current flowing
through the consumer during the time window does not exceed a threshold value and to
determine a switching instant at which the movable element has reached a particular position
within the time window.

REMARKS

Claims 1-7 are pending.

It is believed that this Amendment does not raise new issues that would require further
consideration and/or search, and also does not raise the issue of new matter. It is also
